

1. Shut off power before installation.
2. Fix the mounting strap to wall.
3. Thread the screw and long threaded rod through the backplate. Then, attach metal scroll to backplate and fix with washers, nuts and cap nut.
4. Screw the short threaded rod into the connector and fix the short threaded rod to the metal scroll with washer and nut.
5. Feed the main wire through the connector, short threaded rod, hole of metal scroll, long threaded rod and backplate.
6. Connect wires with wire connectors to the corresponding wires in wall.
7. Attach the backplate to the mounting strap and fix with cap nuts.
8. Insert the glass shade into the metal frame and fix with metal clips.
9. Install the light bulb (not included with the light fixture) and turn on the power.
